

Many have just started to rethink life safety.

We never stopped.

The life safety needs of buildings have changed radically over our 130-year history and will continue to do so as safety is reassessed nationwide. By anticipating and adapting to this evolution early on, we've provided facility owners, managers and consulting engineers with effective solutions time and time again. Our selection of life safety equipment and systems is compatible with most commercial, industrial and institutional facilities. All products are manufactured to ISO quality standards and are UL listed. So whatever your application, trust our ability to deliver the ideal fit for your current and future needs. Faraday. Because thinking ahead is more important than ever. For details, visit faradayfirealarms.com

 **FARADAY**
